

Welcome to NordAnd16

The Conference Opens

Registration will take place in Foyer 4 on the fourth floor of Moas båge, which is the main building of the university. Note: This floor is one level down if you enter from the campus area. During registration on Wednesday, June 12, from 11:30 AM to 12:30 PM, a light lunch in the form of sandwiches and drinks will be provided. The opening ceremony and the first plenary lecture will be held in a nearby hall. On the following days, lunch will be served at the restaurant Arom on the 5th floor of Moas båge.

Conference Days

The program for the conference days is available on the website. Some changes may still be necessary. Please inform us of any inaccuracies via our email: nordand16@sh.se.

The conference dinner will take place after the first day of the conference, Tuesday, June 12, at the restaurant Allé Elva at Södertörn University. It is located one floor down in the same building as the university library (opposite Moas Båge). On Wednesday, June 13, from 7 PM to 9 PM, the City of Stockholm will host a reception for our conference participants at City Hall in central Stockholm. Pre-registration for this event is binding, and participants will receive a written invitation at conference registration, which serves as the entrance ticket to City Hall.

Important Information for Presenters

- Presentations are 20 minutes long, followed by five minutes for discussion. As we have a tight schedule, it is important to adhere to the allotted time for presentations. Please note that panels have their own schedules.
- Please bring your own computer, as there are no stationary computers in the halls.
- The connection cable used to connect a computer to the projector in the hall is HDMI. An adapter is needed to connect the HDMI cable to a computer with a different type of video connector. We have some adapters available, but it will be helpful if you can bring your own if necessary.
- Wireless internet is available in the form of Eduroam and SH guest account. Please inform us in advance at nordand16@sh.se if you do not use Eduroam and need internet access during your presentation. We will then order a personal SH guest login for you.

- The hall is equipped with a projector, screen, and speakers.

We look forward to your participation at the conference!

Best regards,

The conference committé
